

Special Occasion Donations

You can make a donation as a tribute at any time.

You may wish to celebrate a special occasion such as a birthday, anniversary or wedding by establishing a donation gift registry at Arthritis Tasmania.

To arrange, simply phone Arthritis Tasmania.

Arthritis Tasmania will advise you by letter of the gifts made for your special occasion, but amounts will not be disclosed.

All gifts over \$2.00 will receive a letter of thanks and a tax-deductible receipt.

*"Thank you for supporting
the work of Arthritis Tasmania"*

The Challenge

Please help us to meet our challenge by providing a lasting gift.

The primary purpose of Arthritis Tasmania is to provide information and support programs to the 1 in 5 Tasmanians affected by arthritis, osteoporosis and related conditions. We would be unable to do this without the enormous commitment and compassion of so many people. Our population is ageing and the rising prevalence of arthritis places increasing challenges and pressures on our organisation.

We do receive some much needed and appreciated support from the State and Federal Governments to help address the need for our services, but the reality is that Arthritis Tasmania depends on public donations and fundraising events to cover 90 per cent of its operational costs.

Arthritis affects every age group not just older people. Children, teenagers, young adults and working age people all get arthritis.

I hope you may be inspired to help us continue our efforts by choosing to make a gift to Arthritis Tasmania.

Bequests

A bequest is a gift that keeps on giving long after you are able to do so personally. It is the ultimate, selfless gift.

A gift made in your Will to a charitable organisation is called a bequest. For organisations like Arthritis Tasmania bequests play a vital role in enabling us to take a major step forward in the fight against arthritis.

Bequests help us to continue to expand our services into new and exciting areas. Every bequest helps us show people with arthritis that they do not have to live in pain. Every bequest is welcome and greatly appreciated.

Your Will is one of the most important documents you will ever sign. Your intentions today will have a lasting impact on the future and security of your loved ones and of any organisation you wish to nominate to benefit from your last expression of generosity.

Bequests are personal matters – and we respect your privacy. Although it is not essential, it would be helpful if we had some knowledge of your plans. Not only will it help us to plan ahead, it will give us the opportunity to thank you personally and discuss how we will put your gift to work. All discussions are strictly confidential and obligation free.

If you would like to discuss the possibility of leaving a bequest to Arthritis Tasmania, please contact the CEO on 1800 011 041.

Memorial Gifts

Memorial Gifts are a tribute to the memory of someone you love. These special gifts are also a way for family, friends and colleagues to show that they care.

When planning a funeral please consider organising memorial gifts to Arthritis Tasmania.

Memorial gifts to Arthritis Tasmania will fund information, education, support and research into arthritis, osteoporosis and related conditions.

It is easy to arrange memorial gifts in memory of your loved one:

- **Before the Funeral**

Speak with your funeral director, who will assist you. Ask for the funeral notice to include: *'Donations in memory of (name of loved one) may be made to Arthritis Tasmania.'*

The funeral director should have a supply of memorial envelopes or they can request them from Arthritis Tasmania.

- **Thanking You**

Arthritis Tasmania will thank the family by letter providing a list of everyone who has made a donation in memory of their loved one. For privacy reasons, the individual donation amounts are not disclosed.

Everyone who makes a donation will receive a letter of thanks and a receipt.
