Arthritis & Osteoporosis Tasmania is a not-for-profit organisation that provides support and information for all Tasmanians affected by arthritis, osteoporosis and related conditions.

Contact **Arthritis & Osteoporosis Tasmania** to find out about the range of awareness and education programs, support services and resources available.

About us

Arthritis & Osteoporosis Tasmania (AOTAS) is a member-based not for profit association formed in 1976 to help improve the lives of people affected by arthritis, osteoporosis or any of the 120+ related musculoskeletal conditions. The only dedicated body for arthritis information and support in TAS, we have developed strong alliances throughout the health sector enabling us to deliver the latest information, research developments and management strategies through our health and education programs.

AOTAS offers information and support to the one in four Tasmanians living with these conditions, empowering them to take charge of their own health and set new goals so they can enjoy their lives again.

Become a member

By becoming a member you are on your way to successfully managing your condition and reducing its impact on your life. You will also give AOTAS a stronger voice – as the more members we have, the more influence we have on decision makers.

Member benefits

- Receive the *Arthritis Matters* newsletter three times a year featuring news, tips and helpful information;
- Automatic sign-up to our *MSK Connect* eNewsletter;
- Discounts on seminars, activity programs, small aids, books, DVDs and CDs.

Help us help you

Membership is one of the most valuable contributions you can make to your self-management and knowledge about arthritis. In addition, your membership helps us to help you – it gives our organisation a stronger voice and enables us to work on your behalf to:

- Lobby all levels of government to obtain improved services for Tasmanians living with arthritis, osteoporosis or related conditions.
- Raise the profile of the organisation as the peak community body representing people with musculoskeletal conditions.
- Attract corporate sponsors, trusts and private donors prepared to assist us in funding new and existing programs.
- Advocate on your behalf to have your needs considered by the wider community.

Each new membership strengthens our voice and your membership fees and any additional donations are invested back into our free community programs and services.

How do I join?

It's now easier than ever to join or renew your membership with AOTAS. There are three quick, easy and convenient ways to become a member:

1. Fill out the attached form and return; or
2. Visit our Office in Moonah where our friendly volunteer is ready to help; or
3. Download the form from our website:
www.arthritistas.org.au/membership/

Membership is open all year round with a renewal emailed or posted to you each year on the anniversary of the date you first join.
